

Technically Speaking....Taxing!

Botswana Unified Revenue Service (BURS) has a mandate to perform tax assessment and collection functions on behalf of the Government, to take appropriate measures to counteract tax evasion, and to improve taxpayer service. BURS mission is to enable the fair payment of taxes, facilitate trade and manage borders for the development and security of the people of Botswana.

Director, Technical Services (Domestic Taxes)

THEJOB

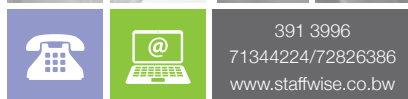

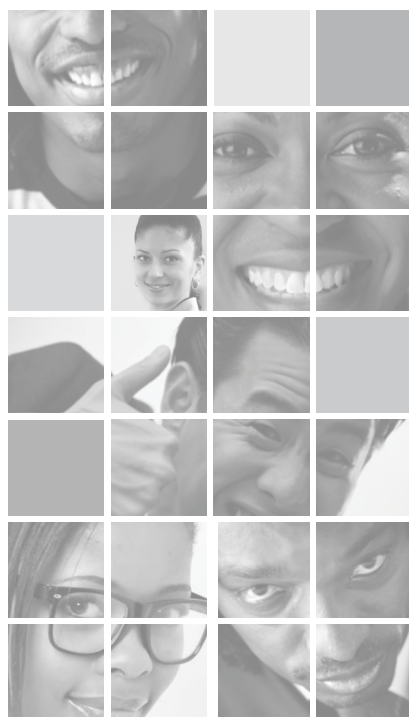

It is in this regard that BURS is looking to fill the role of Director, Technical Services (Domestic Taxes) on contract basis. This role is responsible for planning, developing and reviewing policies, strategies and procedures that will deliver professional technical advice and assistance; issues rulings and directives to maximize collection of the revenue in accordance with the provisions of tax legislation and international standards of tax administration; initiates and promotes the development of bilateral and multilateral tax agreements which will optimize tax revenue for Botswana, as well as facilitate investment and international trade, thereby contributing to the achievement of BURS' objectives and strategies.

THEREQUIREMENTS

- Degree in Business Administration, Tax, Economics, Finance, Accounting, Law, full membership of an internationally recognized institute of professional accountants (ACCA, CIMA, CA etc.) or equivalent. A relevant post graduate qualification will be an added advantage.
- At least ten (10) years relevant post qualification experience in the accounting, audit, legal and tax administration profession, two (2) of which should have been at General Manager level or equivalent.

Good team leadership skills, alongside a good strategic orientation and awareness of the external environment are required competencies. Excellent communications skills are essential together with a results oriented mindset.
